

SPONSORSHIP OPPORTUNITIES

April 21-23, 2025 | The Ronald Reagan Building | Washington, D.C.

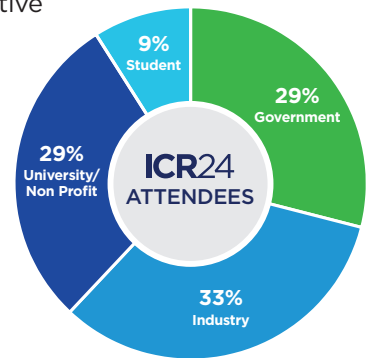

ICR25, hosted by Battelle, is the fourth annual international event bringing together the community working to create a more resilient future by fostering collaboration across academia, industry and government. This year's theme, **"Partner, Accelerate, Launch,"** highlights the critical need for innovative solutions to reach commercialization and impact resilience. Our focus spans adaptation through resilient infrastructure and innovative technologies, mitigation via carbon neutrality and energy, and sustainability.

Together, our efforts are establishing the solutions that have the potential to effectively impact change.

Who Attends ICR25

Join us as a sponsor and position your organization as a leader in the global movement towards resilience. By partnering with ICR25, you will align with the companies, non-profits, federal agencies and academic institutions pioneering solutions to tackle resilience challenges.

ICR25 is organized and presented by **BATTELLE**

battelle.org/ICR/sponsor

*Track Sponsorship benefits include: One 15-minute speaking time slot for an introduction to the track on April 22; One 90-second video (maximum length) provided by the sponsor, to be displayed during track session breaks on April 22 and April 23 in the sponsored track room; Up to 3 Session Chair recommendations for placement within the sponsored track. Please note: Track room assignments are managed by Battelle and will be communicated to the sponsor once the ICR25 program is finalized. Session Chair placement is not guaranteed and is dependent on which topic areas receive enough abstracts to proceed into the final program.
