

WELCOME TO THE

BATTELLE uLAB

BEFORE YOUR SCHEDULED APPOINTMENT

When you arrive at the uLAB, please use the courtesy phone located inside the entrance to alert the staff that you have an appointment. You may bring your cell phone but visitors are prohibited from taking pictures under any circumstances.

If you need someone to accompany you, like a spouse or caregiver, please let us know in advance so we can arrange visitor access for them as well.

Please call **614-424-5545** if you encounter difficulty in arriving to your scheduled visit on time.

REMINDERS

Bring a Photo ID. If you are a non-US citizen. You will need to present proof of residency as part of the registration process.

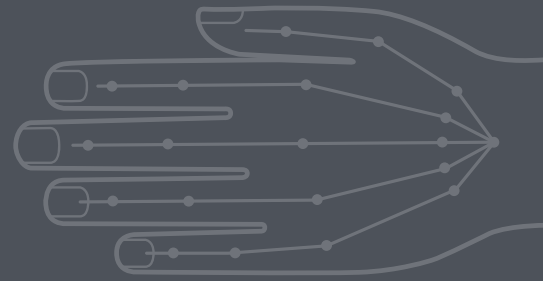

Please arrive 15 minutes early, as you will need to complete a registration process before your appointment time.

If you normally wear glasses to read, please make sure to bring them with you to your visit.
